The Scheduling Authorization includes PTC Candidate ID number and information on how to set up your examination location, date, and time through Prometric. Retain this document.

## **Examination Administration**

The CPLCP™ Examination is administered during an established testing period on a daily basis, Monday through Saturday, excluding holidays, at computer-based testing facilities managed by Prometric.

## **Scheduling Your Examination Appointment**

Within eleven (11) weeks prior to the start of the testing window, approved candidates will be emailed a Scheduling Authorization from [notices@ptcny.com](mailto:notices@ptcny.com). Please ensure you enter your correct email address on the application and add the 'ptcny.com' domain to your email safe list. If you do not receive a Scheduling Authorization eight (8) weeks prior to the start of your chosen testing window contact the Professional Testing Corporation at (212) 356-0660 or online at [www.ptcny.com/contact](http://www.ptcny.com/contact).

The Scheduling Authorization will indicate how to schedule your examination appointment with Prometric as well as the dates during which testing is available. Appointment times are first-come, first-serve, so schedule your appointment as soon as you receive your Scheduling Authorization in order to maximize your chance of testing at your preferred location and on your preferred date. **Candidates who wait until the last minute run the risk of missing out on their preferred date, time, and testing center. Candidates unable to schedule an appointment will forfeit their fees.**

Candidates unable to take the examination during their chosen testing window will need to reapply for the examination and pay a new application fee. See page 8 for more information on transferring to a new testing window.

After you make your test appointment, Prometric will send you a confirmation email with the date, time, and location of your exam. Please check this confirmation carefully for the correct date, time, and location. Contact

Prometric at (800) 741-0934 if you do not receive this email confirmation or if there is a mistake with your appointment.

**Note: International candidates may also schedule, reschedule, or cancel an appointment online at <http://www.prometric.com/CPLCP>.**

## Rescheduling Examination Appointments within a Testing Period

Candidates are able to reschedule their examination appointments within the same testing period as long as the request is submitted within the timeframe described below. Reschedule within the permitted time frame by calling or going to the Prometric website: [www.prometric.com/CPLCP](http://www.prometric.com/CPLCP).

Time Frame	Reschedule Permitted?	Stipulations
Requests submitted 30 days or more before the original appointment	Yes	None
Requests submitted 29 to 5 days before the original appointment	Yes	Candidate must pay Prometric a rescheduling fee of \$50.
Requests submitted less than 5 days before the original appointment	No	Candidates who do not arrive to test for their appointment will be considered a no-show and all their examinations fees will be forfeited. Candidates will need to reapply and pay full examination fees for a future testing period.

## Transferring to a New Testing Period

Candidates unable to take the examination during their scheduled testing period may request a one-time transfer to a future testing period. **There is a transfer fee of \$200.00.** After you have transferred once by paying the \$200.00 fee, you will need to pay the full examination fee in order to transfer a second time; so, please plan carefully.

**Please note:** requests to transfer to a new testing period must be received within 30 days of your originally scheduled testing period.

Candidates wishing to transfer to a new testing period need to follow the steps below.

1. Go to <http://secure.ptcny.com/apply>; click "Start New Application."
2. Choose CPLCP™ in the first drop-down menu; then choose the new examination period in the second drop down menu and fill out the rest of the information on the page.
3. Fill out the application making sure you answer yes to the question asking if you are transferring.
4. When you have finished the application, click "Submit Transfer Request."
5. PTC Support will send you an email letting you know your transfer application was approved and that you can log back into your application and pay the one-time \$200.00 transfer fee.

Call (212) 356-0660 if you have any questions regarding the transfer process.

If candidates are unable to attend the examination on the date for which they registered and elect not to transfer to another testing period, the application will be closed and all fees will be forfeited. There will be no refund of fees.

The transfer fee is based on costs and is not punitive in nature. The transfer fee must be paid at the time the request is approved. The candidate is responsible for contacting Prometric and canceling the original examination appointment, if one was made.

**Exams may only be transferred to a new testing period once; please plan carefully.**

Please note: Transferring your Examination only refers to instances when a candidate is unable to take their exam during a testing period for which they have already applied. Candidates who did not pass their examination and are retaking the examination need to pay the full Examination Fee.

## **Failing to Report for an Examination**

## Special Accommodations

CPLCP™ and PTC support the intent of and comply with the Americans with Disabilities Act (ADA). PTC will take steps reasonably necessary to make certification accessible to persons with disabilities covered under the ADA. According to the ADA, an individual with a disability is a person who has a physical or mental impairment that substantially limits a major life activity (such as seeing, hearing, learning, reading, concentrating, walking) or a major bodily function (such as neurological, endocrine, or digestive system). The information you provide and any documentation regarding your disability and special test accommodations will be held in strict confidence. All approved testing accommodations must maintain the psychometric nature and security of the examination. Accommodations that fundamentally alter the nature or security of the exam will not be granted.

Special testing arrangements may be made upon receipt of the Application, examination fee, and a completed and signed Request for Special Needs Accommodations Form, available from [www.ptcny.com/PDF/PTC\\_SpecialAccommodationRequestForm.pdf](http://www.ptcny.com/PDF/PTC_SpecialAccommodationRequestForm.pdf) or by calling PTC at (212) 356-0660.

This Form must be uploaded with the online application no later than 8 weeks prior your chosen testing period. Candidates who do not submit their Special Accommodations Form with their application may not be able to test during their chosen testing period and therefore be subject to rescheduling or transfer fees.

<sup>1</sup> Applicants who are ineligible to take the examination or whose applications are incomplete by the application deadline will have their examination fees returned minus an administrative fee.

**Only those requests made and received on the official Request for Special Needs Accommodations Form will be reviewed. Letters from doctors and other healthcare professionals must be accompanied by the official Form and will not be accepted without the Form. All requests must be made at the time of application. Accommodations cannot be added to an existing exam appointment.**

## Preparing for the Examination

- Check your government issued photo ID (driver's license, passport or U.S. Military ID) when you make your examination appointment. Is it expired? Does the name on your ID match the name on your Scheduling Authorization email? Proctors at the Prometric testing center will refuse admission to candidates with expired IDs, IDs with names that do not match their records, and temporary paper IDs. Candidates will be marked as no-shows and will forfeit their exam fees.
- Check your PTC Scheduling Authorization email and Appointment Confirmation email from Prometric to make sure everything is accurate (i.e. your name, exam name, appointment date, time and location).
- Make yourself familiar with the location of your chosen testing site and any requirements they may have for parking and check the weather and traffic conditions before you leave for the testing center. Make sure you give yourself plenty of time to arrive as late arrival may prevent you from testing.
- In the event of inclement weather, check the Prometric website for site closures: <https://www.prometric.com/closures>.
- Prometric's website provides information on what you can expect on your test day, including a walkthrough of check in and security procedures: <https://www.prometric.com/test-center-security>.
- This Handbook provides the Content Outline for the Examination (see appendix). Use these to help you start studying for the examination.
- Review What to Expect at the Testing Center and Rules for the Examination on the next page before your appointment.

  - No breaks are scheduled during the exam. Candidates who must leave the testing room to take a break will not be given extra time on the exam
  - Accessing mobile phones or study materials during the examination is prohibited
  - Smoking is prohibited at the testing center
  - All examinations are monitored and may be recorded in both audio and video format

Please keep in mind: other exams will be administered at the same time as your examination. Therefore, examinees may hear ambient noises such as typing, coughing, or people entering and exiting the testing room that cannot be avoided. Prometric is unable to provide a completely noise-free environment. However, headphones may be requested to minimize impact.

Please see [Prometric's website](#) for more information about what to expect on testing day.

## Rules for the CPLCP™ Examination

Please read the information below carefully. You are responsible for adhering to the examination rules while at the testing center

- You must present your current driver's license, passport, or US Military ID at the testing center. Candidates without valid ID will NOT be permitted to test. Temporary or paper copies of your ID will not be accepted.
- No Electronic devices that can be used to record, transmit, receive, or play back audio, photographic, text, or video content, including but not limited to, cell phones, laptop computers, tablets, Bluetooth devices; wearable technology (such as smart watches), MP3 players (such as iPods), pagers, cameras, and voice recorders are permitted to be used and cannot be taken in the examination room. Prometric provides lockers for your personal items.

- No questions concerning content of the examination may be asked during the examination session. The candidate should read carefully the directions that are provided on screen at the beginning of the examination session.
- Candidates are prohibited from leaving the testing room while their examination is in session, with the sole exception of going to the restroom.
- Bulky clothing, such as sweatshirts (hoodies), jackets, coats, and hats (except hats worn for religious reasons), and most types of jewelry may not be worn while taking the examination. Proctors will ask you

to remove such items and place them in your locker. Please see [Prometric's statement on Test Center Security](#) for more information.

- All watches and "Fitbit" type devices cannot be worn during the examination.
- No food/beverages are permitted inside the testing room. Leave these items in your assigned locker.

Contact PTC at (212) 356-0660 or [www.ptcny.com/contact](http://www.ptcny.com/contact) with any questions about the Examination Rules.

**Violation of any of the rules listed above may lead to forfeiture of fees, dismissal from the testing room, and cancellation of your test scores.**

## Testing Conditions and Examination Feedback

Any candidate who feels that the examination effort was negatively impacted by the test center conditions should notify the proctor immediately. The situation should also be reported to PTC at [www.ptcny.com/contact](http://www.ptcny.com/contact) within 3 business days of the test appointment. Any comments about the test itself should also be reported to PTC at [www.ptcny.com/contact](http://www.ptcny.com/contact) within 3 business days of the test appointment.

## Report of Results

Candidates will be notified by mail approximately four weeks after the close of the testing window whether they passed or failed the examination. Scores on the major areas of the examination and on the total examination will be reported to the candidate and the CPLCP™ Certification Board. Successful candidates will also receive certificates from the CPLCP™ Certification Board. Failure to receive the report of the results should be reported to the Professional Testing Corporation at (212) 356-0660.

## Requesting a Handscore

Candidates who fail the examination may request a hand scoring of their data file. Hand scoring is a manual check of the data file by the testing service to determine if there have been any errors in scoring. Although the probability of such an error is extremely remote, this service is available. Requests for hand scoring must be received by PTC no later than 90 days after the date of the examination by completing and returning the Request of Handscore form on [www.ptcny.com](http://www.ptcny.com) with payment of \$25. Candidates who fail the examination will not be permitted to see the examination questions. For reasons of test security, no candidate is allowed to review the examination or any of its items.

To ensure correct reporting of results, PTC automatically performs handscores of examinations of candidates who score within 3 points of passing as a quality control measure. Thus, it is extremely doubtful that any examination results will change from "fail" to "pass" through handscoring.

## Reexamination

The CPLCP™ Examination can be re-taken two times within a 1-year period upon filing of a new Application and fee. There must be a six (6) month waiting period between testing dates. The candidate must file a new Application and submit the full testing fee.

## Confidentiality

The CPLCP™ Certification Board will release the individual test scores only to the individual candidate.

Any questions concerning test results should be referred to the CPLCP™ Certification Board, or to Professional Testing Corporation. Upon request from individuals and/or the public, the CPLCP™ Certification Board will verify the initial certification of a candidate, as well as the date of any renewal. Any disciplinary action will also be disclosed if a suspension and/or revocation of the CPLCP™ designation has been imposed.

## Attainment of Certification & Recertification

Candidates who pass the CPLCP™ Examination are eligible to use the designation CPLCP™ after their names and will receive certificates from the CPLCP™ Certification Board. A registry of Certified Physician Life Care Planners will be maintained by the CPLCP™ Certification Board and may be reported in its publications.

Certification for Physician Life Care Planners is recognized for a period of five (5) years, at which time the candidate must retake and pass the most current CPLCP™ Certification Examination, or meet such alternative requirements in effect at that time in order to retain certification.

## Revocation of Certification
